

Thank You for Making an Impact!

REPORT CARD

79 seniors graduating high school & enrolling in college	A ⁺
100% of graduates going to college	A ⁺
\$255,600 in private scholarships awarded to students	A ⁺
14 BLCI Alumni graduating with bachelor's degrees	A ⁺
2 BLCI Alumni graduating with master's degrees	A ⁺
1 BLCI Alumni graduating with doctorate degree	A ⁺

COMMENTS:

Another incredible year at BLCI! Thank you for supporting our largest graduating class to date and another year of 100% college enrollment. As we proudly say goodbye to our rising college freshmen and begin preparing for the Class of 2025, it is imperative that we continue to support our students on their path to higher education. Thank you for making an impact and if you haven't done so already, please consider donating today. Together, we can transform lives through education.

Thank you, *Sara Boquin*
Chief Executive Officer

Thank you for supporting BLCI and the Class of 2024! As a dedicated advocate for equal access to education, you are helping break the cycle of poverty. Your partnership helps prepare underserved students to be the first in their family to not just attend, but to graduate college. Thank you for investing in our students and valuing their potential for our

community.

We are pleased to share the impact of your support with the Class of 2024 Report Card. As you can see, BLCI's path to education helps our students build confidence and grow into leaders in their schools and communities. The Class of 2024 was represented by 79 graduates and once again, 100% of our students are the first in their family to enroll in college.

Additional highlights from the Class of 2024 include two BLCI seniors being named Valedictorian, and one talented young woman from BLCI's Chula Vista Program was accepted to Yale University with a full ride. With only 3.7% of the reported 57,465 applicants gaining admission, her acceptance is a testament to the limitless potential of BLCI students when given an opportunity to thrive.

Our students attend a wide range of colleges and universities, but one thing they have in common is the determination to be the first member of their family to obtain a college degree. While BLCI excels at building the path to education, it is the students who put in the hard work and take advantage of the many opportunities to help prepare them for college and change the trajectory of their futures.

Your gift to BLCI is a gift of opportunity. Your philanthropic support ensures that our programs remain 100% free of charge. If you haven't done so already, please consider making a gift to support the incoming Class of 2025. On behalf of BLCI students and families – thank you for investing in their futures.

I hope you will consider joining us for a tour or a virtual visit this fall and take the opportunity to meet some of the incredible students you are supporting.

Thank you again for investing in our students and being a part of BLCI's path to educational success.
